Got your text from last night
                              C           F
It said you didn'□□t mean those things yeah right
                  Am    G C G
Now you'□□re all over me oh
F                 Am          G
Go and tell all of your friends
                            C
They'□□ll pretend they'□□re interested
F                   Am       G   C G
But you know it's far too late oh

F    Am               G                   C
Hey, beautiful from California how'□□s it like to lose it all?
F                   Am          G    C G
You know I've been through it all whoa
F   Am                  G                   C
Hey beautiful it's been a long shot but maybe now that
     F                      Am             G
It's said and done and you figured out a way
            C            G     F Am G
I guess I'm better off alone instead
            C            G     F Am G C G
I guess I'□□m better off alone instead

F                          Am        G
You talk like everything's just fine
                              C          F
But I've heard your lies a thousand times
                     Am G   C    G
You're not fooling anyone oh whoa
F                        Am     G
Your whole world's falling apart
                         C          F
You don't even know where to start
                     Am      G    C G
It don'□□t mean anything to me whoa

F    Am               G                   C
Hey, beautiful from California how'□□s it like to lose it all?

F                  Am          G    C G
You know I've been through it all whoa
F   Am                  G                   C
Hey beautiful it's been a long shot but maybe now that
     F                      Am             G
It's said and done and you figured out a way
            C            G     F Am G
I guess I'm better off alone instead
            C            G     F Am G C G
I guess I'□□m better off alone instead
            C            G     F Am G C G
Guess I'm better off alone instead
            C            G     F Am G C G
Guess I'□□m better off alone instead

F  Am    G   C G
Na na na na whoa
F  Am    G   C G
Na na na na whoa
    F                           Am
You thought that you would bring me down
          G                 C
But I'□□m better without you around
          F               Am          G
Yeah I'□□m better off, I'□□m better off alone

F    Am               G                   C
Hey, beautiful from California how'□□s it like to lose it all?
F                   Am          G    C G
You know I've been through it all whoa
F   Am                  G                   C
Hey beautiful it's been a long shot but maybe now that
     F                      Am             G
It's said and done and you figured out a way
            C            G     F Am G
I guess I'm better off alone instead
            C            G     F Am G C G
I guess I'□□m better off alone instead
            C            G     F Am G C G
Guess I'm better off alone instead
            C            G     F Am G C G
Guess I'□□m better off alone instead

F    Am               G                   C
Hey, beautiful from California how'□□s it like to lose it all?
F                   Am          G
You know I've been through it all
