

Gabriel Blondet - Hey Beautiful

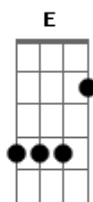

Tom: E

(forma dos acordes no tom de Ab)
Capostrate na 8ª casa

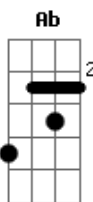

Got your text from last night
It said you didn't mean those things yeah right
Now you're all over me oh
Go and tell all of your friends
They'll pretend they're interested
But you know it's far too late oh
Hey, beautiful from California how's it like to lose it all?
You know I've been through it all whoa
Hey beautiful it's been a long shot but maybe now that
It's said and done and you figured out a way
I guess I'm better off alone instead
I guess I'm better off alone instead
You talk like everything's just fine
But I've heard your lies a thousand times
You're not fooling anyone oh whoa
Your whole world's falling apart
You don't even know where to start
It don't mean anything to me whoa
Hey, beautiful from California how's it like to lose it all?

You know I've been through it all whoa
Hey beautiful it's been a long shot but maybe now that
It's said and done and you figured out a way
I guess I'm better off alone instead
I guess I'm better off alone instead
Guess I'm better off alone instead
Guess I'm better off alone instead
Na na na na whoa
Na na na na whoa
You thought that you would bring me down
But I'm better without you around
Yeah I'm better off, I'm better off alone
Hey, beautiful from California how's it like to lose it all?
You know I've been through it all whoa
Hey beautiful it's been a long shot but maybe now that
It's said and done and you figured out a way
I guess I'm better off alone instead
I guess I'm better off alone instead
Guess I'm better off alone instead
Guess I'm better off alone instead
Hey, beautiful from California how's it like to lose it all?
You know I've been through it all
