

Gabriel Gontijo - Carnaval a Dois

tom:

Intro: Am D7 G Ab
 Ela diz que não demora
 Vem bater na minha porta
 As quatro da manhã
 E diz que é minha fantasia
 Noite e dia
 Carnaval

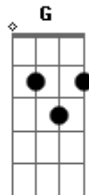

Quando beija a minha boca
 Vou descendo a sua roupa
 Começando o dia
 Desfilando a sua fantasia
 Colombina
 Do meu carnaval

C
 Carnaval a dois
 Cm

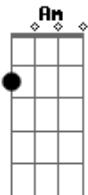

Nada é pra depois
 No calor da hora
 A gente se devora
 Ao som de Djavan
 Até de manhã
 Carnaval
 La laiá
 Eu canto la laiá pra você
 Nessa alegoria minha alegria é te ver

C
 Carnaval a dois
 Cm
 Nada é pra depois
 No calor da hora
 A gente se demora
 Ao som de Djavan
 Até de manhã
 Carnaval
