

Gabriel Nader - Terra À Vista

tom:

C

Já pensou
Em tudo que pode nascer
De uma simples palavra
Que de simples não tem nada

Começou
O desejo de te conhecer
O anseio por sua chegada
O presente que se anunciava

Vem bater na porta
Se firme nesse chão
Trás a melodia

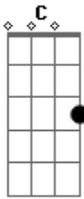

Muda a batida da canção

Me encantou
O sorriso que faz mover
O olhar firme pra estrada
Pro interior da minha casa

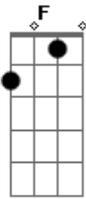

Inundou
Navegue nos mares do ser
Nos sonhos da sua jornada
Seja água e seja brasa

Vem bater na porta
Se firme nesse chão
Trás a melodia
Muda a batida da canção
