# Gabriel Vendramini - Ode To The Worthless

Tom: G
Intro: 2x: G Em

```
G
I?m so pissed off today
Em
I think I?m gonna break
G                                        Em
I?m avoiding all the mirrors and the taste of broken glass

G
I think I?m gonna puke
Em
This world is so messed up
G                               Em
People are so annoying and this breed don?t represents me

C                D               G
Your acts, your words, your thoughts
C         D        G
You deserve all the blame
C         D        G  D  Em  D
Go to hell and burn in flames
C            D
You?re no human to me

G Em (2x)

G
I won?t swallow your shit
Em
I?d rather swallow my pride
G                        Em
I?m not looking back, ?cause I don?t give a damn

G
I can?t see things straight
Em
```

```
As my vision seems to black out
G                           Em
I can?t let this rage consume me

C                D               G
Your acts, your words, your thoughts
C         D        G
You deserve all the blame
C         D        G  D  Em  D
Go to hell and burn in flames
C            D        G
You?re no human to me

C                D               G
Your acts, your words, your thoughts
C         D        G
You deserve all the blame
C         D        G  D  Em  D
Go to hell and burn in flames
C            D
You?re no human to me

G
Your acts, your words, your thoughts
Em
Your acts, your words, your thoughts
G
Your acts, your words, your thoughts
Em
Your acts, your words, your thoughts
G
Your acts, your words, your thoughts
Em
Your acts, your words, your thoughts
