

Gabrielle Aplin - Hurt

Tom: C

Verse 1:

C I shiver when you touch my skin
 Am F And I know without asking
 C G You're right there you wanna be
 Am F You're right here in front of me

Verse 2:

C G And you talk about travelling
 Am F Where we'll go and where we've been
 C G But the scene you're building now
 Am F All I see is it coming down

Chorus:

C G Am You are so good
 F G I know that this is gonna hurt
 C G Am I don't think we should
 F G You know it's never gonna work
 C Am There's things that you can't see
 G F You're way too close to me
 G This one's gonna hurt

C G Am F G x2

Verse 3:

C G You feel cold in the summer sun
 Am F Leaves fall when winter comes
 C G Why does it take us by surprise?
 Am F It's been the story all our lives

Verse 4:

C G And boy, you know, the less you learn
 Am F What goes unsaid, doesn't go unheard
 C G If only I could help us both

Am F
 Come round and wait from where we're going

Chorus:

C G Am You are so good
 F G I know that this is gonna hurt
 C G Am I don't think we should
 F G You know it's never gonna work
 C Am There's things that you can't see
 G F You're way too close to me
 G This one's gonna hurt

C G Am F G x2
