When I'm Sunday PM

Let's climb out through the skylight

We can watch the sunset fall into the night  
C#7M  
Then roll into the sunrise

Slowly

F#7M  
We don't need to rush this feeling, feeling  
C#7M  
Trying is a waste of time

We don't need to rush, just breathe out, breathe in  
C#7M  
Flying is a state of mind

Visions of you

Fade into me

I never have the words

But you unravel them free
