

Gal Costa - Faceira

Tom: A

m

Foi num samba de gente bamba

Ô gente bamba

Que eu te conheci, faceira

Fazendo visagem

Passando rasteira

Que bom, que bom, que bom

E desceste lá do morro

Pra viver cá na cidade

Deixando os companheiros

Quase loucos de saudade

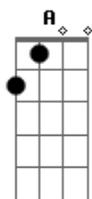

Linda criança

Tenho fé, tenho esperança

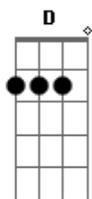

Que algum dia hás de voltar

Direitinho ao teu lugar
