

Gal Costa - Flor de Maracujá

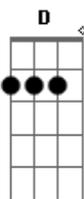

tom:
 Lá no avarandado
 Na luz do meio dia
 O segredo dos teus olhos
 Tanta coisa me dizia
 O cabelo solto ao vento
 O teu jeito de olhar
 E no seu corpo moreno

A flor de maracujá
 Dia de sol, cheiro de flor
 Gosto de mar, amor
 Na tua cor, luz do luar
 Vento que vem do mar
 Roda, gira vira o vento
 Meu amor vai te levar
 Bem pra lá do fim do mundo
 Onde eu vou te chamar
