

Gal Costa - Jogada Pelo Mundo

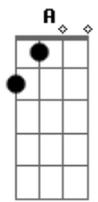

tom:

Intro: A

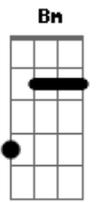

A felicidade não manda avisar
 Quando vai chegar a ninguém, a ninguém
 Pode vir de noite ou de dia
 É sempre um motivo de alegria
 Eu tenho o sol, a flor e o mar
 Tenho o luar e o arrebol
 Tenho as mais lindas alvoradas
 Tenho montanhas azuladas
 Tenho a canção dos pescadores
 Tenho essa vida de mil amores

Molho os meus pés
 Nas águas limpas dos igarapés
 Eu tenho o sol, a flor e o mar
 Tenho o luar e o arrebol
 Tenho as mais lindas alvoradas
 Tenho montanhas azuladas
 Pois tenho tudo não tenho nada
 Ando jogada por esse mundo
 Não tenho um bem
 Nem o amor de ninguém
 A felicidade não manda avisar
 Quando vai chegar a ninguém, a ninguém
