Tom: **F**

(Cifra Baseada na Gravação de Gal Costa)

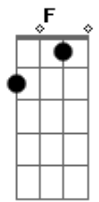

D **Eb** **Em** **F7** **Bb7**
Morena dos olhos d'água, tire os seus olhos do mar
A7 **D** **E7** **Gm** **D**
Vem ver que a vida ainda vale o sorriso que eu tenho pra lhe dar

D **Gm** **E7** **A7**
Descansa em meu pobre peito, que jamais enfrenta o mar
Dm **Bb7** **B** **A7**

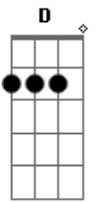

Mas que tem abraço estreito, Morena, com jeito de de agradar
D **Gm** **E7** **A7**
Vem ouvir quantas estórias que por seu amor sonhei
Dm **Bb7** **B** **A7**
Vem saber quantas vitórias, Morena, por mares que só eu sei

D **Gm** **E7** **A7**
O seu homem foi embora prometendo voltar já
Dm **Bb7** **B** **A7**
Mas as ondas não tem hora, Morena, de partir ou de voltar
D **Gm** **E7** **A7**
Passa a vela e vai-se embora, passa o tempo e vai também
Dm **Bb7** **B** **A7**
Mas meu canto 'inda te implora, Morena, agora, Morena, vem...
