

Gal Costa - Rumba Louca

Tom: G

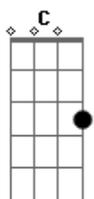

Meu coração bailava a tóa
 Num jogo de cintura tipo vai e vem
 Agarradinho no corpo a corpo
 Num bamboleio solto de vem cá meu bem
 Rosto coladinho coxa e coxa
 Orelinha um brinco que beije
 Beijo caprichado molha a boca
 Cheiro no cangote dei
 E a pulsação da rumba louca
 pois mais fogo no salão
 Teu peito no meu peito ecôa

Que tic tic-tac vem do coração
 Gata se o baile acaba agora
 Acho que piro de amor
 Tá que tá na hora de ir embora
 Me chama que eu vou
 Ver como chovo no molhado
 Um bocado do pecado um charme
 Flecha de cupido me flechou
 Vou ser teu brotinho apaixonado
 Um gato no teu telhado teu fogo
 Quente como é quente o amor
 Quente como é quente o amor,
 (Am Bm C7)
