       Greet the morning under foreign skies
                                                                                                                                                                     Am
       Leaving me to face another Monday
                      G A Am
       It's not easy to get by
     It's not the place you're going to
     It's just a phase you're going through
     Though I won't stop you I don't want to
Breakaway, fly across your ocean,
Gbm B7 D
Breakaway, time has come for you
Gbm B7 D
Breakaway, fly across your ocean
```

```
Breakaway, time has come for you
And now you travel on your own opinion
Leave your fears and doubts to fade away
      G
                             Am
Dust your dreams and take them on your journey
        G

Spread your wings and fly away

It's not the sun you're tryin to find
Something else is on your mind
You need a little space and time to breakaway
It's not the place you're going to
It's just a phase you're going through
Though I won't stop you I don't want to
Breakaway, fly across your ocean
