A arte e a essência fazem parte do meu boi  
 No tom da batucada na harmonia da canção  
 Na fantasia prosa, poesia renovando a emoção  
 Meu boi é luz crescente o brilho intenso do luar  
 Rajando o véu da noite encantando os querubins  
 Só quero te encontrar  
 Com o Garantido revivendo essa paixão  
 Vem no compasso gira no espaço  
 Boi Garantido na evolução

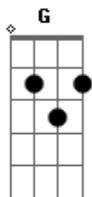

Um louco sentido traz alegria meu boi  
 E a batucada marca teus passos  
 Na cor do teu coração  
 Que revela o amor mais  
 Bonito na paz do meu boi  
 Vem meu boi verdadeiro  
 Colorir o mundo inteiro  
 A alma que reluz o fogo da paixão  
 A chama que seduz o mel do teu amor  
 Faz sentir alegria a emoção a todo instante  
 A força da expressão que vem do meu cantar  
 É o brilho e a magia do meu boi
