

Gareth Dunlop - Hold On

tom:
Capostrate na 2ª casa

I've been listenin' to the silence
hoping that the time would move you
I put my faith in your promise
that you'd be here soon

Don't doubt it darlin', the stars may be fallin'
I'm still coming for you

I can hear your whisper
every doubt screams where are you
and every moment waiting makes the day
harder to get trough

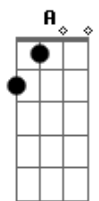

Don't give up darlin', the stars may be fallin'
I'm still coming for you
Hold on
Hold just a little longer
Hold on
Hold just a little longer
Hold on
Hold just a little longer
Hold on

I can swear I feel you
every time I lay my head down

nothing but restless sleepless
long nights now

Don't lose hope darlin', the stars may be fallin'
I'm still coming for you
Hold on
Hold just a little longer
Hold on
Hold just a little longer
Hold on
Don't doubt it darlin'
I'm holdin' on
Don't give up darlin'
I'm holdin' on
Don't lose hope darlin'
I'm holdin', hold, hold
Hold on
Hold just a little longer
Hold on
Hold just a little longer
Hold on
Hold just a little longer
Hold on
Hold just a little longer
Hold on
Hold just a little longer
Hold on
