

# Garotas Suecas - Roots Are For Trees

Tom: E

E A E A  
 Roots are for trees I don't belong here  
 E A E E A  
 And don't want to know where I belong  
 E A  
 I've tried so hard to find  
 E A  
 To find some peace of mind  
 E A E A D7  
 That I won't stand to lose again  
 E A E A  
 I'm not gonna do what people want me to  
 E A E A  
 What I will is what you won't  
 E A  
 I won't try to hide  
 E A  
 The way I feel inside  
 E A E A D7  
 For it's the place I feel at home  
 Dbm D7 E  
 What doesn't belong to the soul I will let be  
 Dbm D7 E  
 What doesn't belong to the soul I will  
 Dbm Gb7 A7  
 My feet don't care about the ground they stand  
 B7 A7

And it doesn't matter if the carpet flies

Dbm  
 My feet don't care

Dbm Gb7 A7  
 My lips don't care about the words they shouts

B7 A7  
 And it doesn't matter if the meaning fades

Dbm B7 A7  
 My lips don't care

E A E A  
 Roots are for trees I don't belong here

E A E A  
 Don't you tell me where I belong

E A  
 The way I step the ground

E A  
 The place I am right now

E A E A D7  
 Is the only place I wanna be

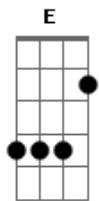

Dbm D7 E  
 What doesn't belong to the soul I will let be

Dbm D7 E  
 What doesn't belong to the soul I won't take with me

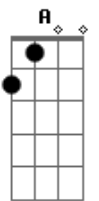

Dbm D7 E  
 What doesn't belong to the soul I will set free

Dbm D7 E  
 What doesn't belong to the soul I don't belong with me
