Swinging down the high street, yeah

Hair cropped short, butts and perm

A
I couldn't believe my eyes,

B **G**
Like a story out of a book

D
She was my height

A
My weight
My size

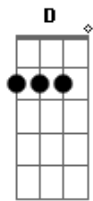

G **D**
She wore (her braces and blue jeans)

D **G**
Skinhead girl(x4)

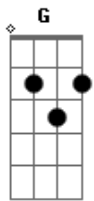

A **D**
She was mine

I made up my mind
Was gonna be corageous, yeah
Her head on my hand
And touch her gentle
She looked at me
And smiled
I know that was for real
She was my height
She wore (her braces and blue jeans)
