IN PIECES

Here is what I have figured out so far, wrong or right, this is how I play it.

CAPO 1st Fret

INRT0:  
piano arranged for guitar. Someday I'll put the dobro in too.

**A** **Gbm** **D7M**

**E7**

Verse:

**A**  
Moonlight on canvas, midnight and wine

**Gbm** **D** **E**  
Two shadows starting to softly combine

**A**  
The picture they're painting is one of the heart

**Gbm** **E**  
And to those who have seen it it's a true work of art

Chorus:

**A** **E** **Gbm**  
Oh, the red strokes passions uncaged

**D** **E**  
Thundering moments of tenderness rage

**A** **E** **Gbm**  
Oh, the red strokes tempered and strong (3rd time fearlessly drawn)

**E** **D2**  
Burning the night like the dawn

Verse:  
Steam on the window, salt in a kiss  
Two hearts have never pounded like this  
Inspired by a vision that they can't command  
Erasing the borders with each brush of a hand

Chorus:

1 1 1  
1 1 1 1 1  
1 1

1  
Bridge:  
**Gbm** **E** **D** **Dbm**  
Oh, the blues will be blue and the jealousies green

**Gbm** **E** **E** **E**  
But when love picks it's shade it demands to be seen

Chorus:

EXTR0:  
Steam on the window, salt in a kiss  
Two hearts have never pounded like this
