

# Garth Brooks - Somewhere Other Than Night

Tom: E

Somewhere Other Than The Night  
Kent Blazy

This is a great accoustic ballad. It is played moderately slow, and Capoe at the 1st fret. Enjoy

I'm sorry that the lyrics are not entered under the tab, but since this song is played so slow, to make it fit, I would have to put about one measure per line. I hope this works-- I've entered numbers in the TAB (1,2,3,...) that correspond to the begining of the line in the lyrics.

1 He could see the storm clouds rollin' across the hill  
2 He barely beat the rain in from the field  
3 And between the back door slammin' she heard him say  
4 Damn this rain and damn this wasted day  
5 But she'd been waitin' for this day for oh so long  
6 She was standin' in the kitchen with nothin' but her apron on  
7 And in disbelief he stood and he stared a while  
8 When their eyes met they both began to smile

Chorus:

Somewhere other than the night  
She needs to hear I love you  
Somewhere other than the night  
She needs to know you care  
She wants to know she's needed  
And she needs to be held tight  
Somewhere other than the night

9 They spent the day wrapped up in a blanket on the front porch swing  
10 He'd come to realize he'd neglected certain things  
11 And there are times she feels alone even by his side  
12 It was the first time she ever saw him cry

Chorus:

Somewhere other than the night  
She needs to hear I love you  
Somewhere other than the night  
She needs to know you care  
She wants to know she's needed  
And she needs to be held tight  
Somewhere other than the night  
To know she's needed  
But she needs to be held tight  
Somewhere other than the night
