

# Garth Brooks - Standing Outside the Fire

Tom: A

A A A A

A

We call them cool

A

Those hearts that have no scars to show

Gbm D

The ones that never do let go

Bm E E7 E E

And risk the tables being turned

We call them fools

Who have to dance within the flame

Who chance the sorrow and the shame

That always comes with getting burned

Gbm E

But you got to be tough

D A

When consumed by desire

Gbm E D E A A A

A

Cause its not enough just to stand outside the fire

We call them strong

Those who can face this world alone

Who seem to get by on their own

Those who will never take the fall

We call them weak

Who are unable to resist

The slightest chance love might exist  
And for that forsake it all

Gbm E

They're so hell bent on giving

D A

Walking a wire

Gbm E D E A

Convinced it's not living when you stand outside the fire

D E A

Standing outside the fire

D E A

Standing outside the fire

Gbm E A D

Life is not tried, it is merely survived

Bm E A

If you're standing outside the fire

D

There's this love that is burning

Dbm

Deep in my soul

Bm A

Constantly yearning to get out of control

D

Wanting to fly

Dbm

Higher and higher

Bm Dbm D E A A A

I can't abide standing outside... the fire
