

Gary Jules - Mad World 0

Tom: **Bb** Hello teacher, tell me what's my lesson

Tabbed by: soupey george
 Email:
 Tuning: standard tuning EADGBe
 No tomorrow, no tomorrow
 Look right through me, look right through me

CHORUS:

All around me are familiar faces
 Children waiting for the day they feel good

Worn out places, worn out faces
 Happy Birthday, happy Birthday

Bright and early for their daily races
 And I feel the way that ever child should

Going nowhere, going nowhere
 Sit and listen, sit and listen

The tears are filling up their glasses
 Went to school and I was very nervous

No expression, no expression
 No-one knew me, no-one knew me

Hide my head, I want to drown my sorrow

And I find it kinda funny, I find it kinda sad

The dreams in which I'm dying are the best I've ever had

I find it hard to tell you, I find it hard to take

When people run in circles, it's a very, very

Mad world...

Mad world... (repeat)
