

Gary Moore - Crying In The Shadows

Tom: **D**

Sometimes he sees her walking by , he never looks her in the eye

She doesn't know, she doesn't care, what he is feeling

And as she turns to walk away there is nothing he can say

She doesn't know, why should she care?

When he's alone, she's never there, to see him

Crying in the shadows

Of a love he used to know, but now it's all over

Crying in the shadows

Of someone he called his own, but now he's all alone again

Sometimes she sees him walking by, she never looks him in the eye

He doesn't know, he doesn't care, what she is feeling

As he turns to walk away, there is nothing she can say

He doesn't know, why should he care?

When she's alone, he's never there, he leaves her

Well, he can see it in her eyes

And she can feel it in her heart

Yes, they can feel it in their hearts, it's tearing them apart

Over and over again
