Gary Moore - In My Dreams

```
                          tom:
                    Am
Intro:  Am   Dm   G   C7M   F7M
        Dm   Bm   E   Am

  Am          Dm
Every night I lie in bed
G              C7M
Try to rest my weary head
F7M              Dm
Wishing you were here by me
Bm7            E
To end this misery

[Refrão]

        Am
Every night
     Dm               G
I'll see you in my dreams
   C7M          F7M
Every time it seems
        Dm            Bm7    E
That we'd belong together

        Am
And I know
   Dm                  G
No matter where you are
C7M             F7M
Underneath the stars
     Bm7      E      Am
I'll see you in my dreams

[Segunda Parte]

Am            Dm
Every night I lie awake
G                C7M
I'm praying that my heart won't break
   F7M               Dm
I'm wishing you were here by me
B7M          E
To end my misery
