

Gary Moore - Midnight Blues

Intro:

[Primeira Parte]

Its the darkest hour of the darkest night
 It's a million miles from the morning light
 Can't get no sleep, don't know what to do
 I've got those midnight blues

[Segunda Parte]

When the shadows fall, I feel the night closing in
 There must be some reason for this mood I'm in
 Can't get no sleep, don't know what to do
 I've got those midnight blues

[Refrão]

Every evening after sundown, as the light begins to fade
 I feel so low, but I just don't know why these blues won't go away

tom:

[Solo]

[Refrão]

I feel so low, but I just don't know why these blues won't go away

[Terceira Parte]

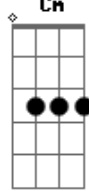

It's the darkest hour of the darkest night
 It's a million miles from the morning light
 Can't get no sleep, don't know what to do
 I've got those midnight blues

[Final]

I've got those midnight blues
 I've got those midnight blues
 I've got those midnight blues
 I've got those midnight blues
 I've got those midnight blues
