

Gaspar Villani - Mirror

tom:

Intro: Cm B A G
Cm B A G

I look in the mirror
It's raining

I look in the mirror

I'm crying (ooh)

At every mirror i change

Even when angry mirror changes me
(Ooh)

My mirror self looks deep in me

I see a new world of mirrors

I see a new world in the lake surface

I see a new world in the mirrors

I know it's gonna change

A new world of mirrors is in front of me

I look but i can't see

The shadows in front of me

It can tell who it is

I see a new world, it's mirror

I see a new world, it's the lake surface

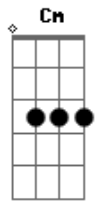

I see a new world in the mirror

Now it's going to change

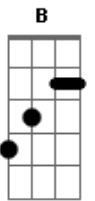

Every mirror i'm prettier
