

# Gavin James - Cigarette Break?

Tom: D  
Intro: D Gbm Bm A

D Gbm  
Just a cigarette break

Bm A  
Leave the ashes on the fire escape

D Gbm  
To burn away

Bm A G  
All the words we wanna say

Bm Em  
I'm counting down every breath you take

D  
It's just a cigarette break

D Gbm  
Little fires

Bm A  
Little talks and ticking clocks

D Gbm  
Will take me higher

Bm A G  
But you're the one I'm dreaming of

G Em  
When all these moments pass away

D Gbm Bm A  
Just a little too late

D  
Oh, but I saw a spark

D7  
And I've never seen

G  
A more beautiful thing

G Em  
Am I just dreaming?

A D  
Let's take it too far

D7  
'Cause every word

G  
You say colours me in

G Em  
And should we begin

G  
Before it's too late?

A  
Say that you'll take

D Gbm Bm A  
A cigarette break

D  
And all these emotions

D7  
Ruling my head

G  
They won't let me sleep

G Em  
They won't let me sleep

A  
They're keeping me awake

D Gbm Bm A  
From such a beautiful mistake

D7  
But I saw a spark

G  
And I've never seen

G Em  
A more beautiful thing

A D  
Am I just dreaming?

D7  
Let's take it too far

G  
'Cause every word

G  
You say colours me in

G Em  
And should we begin

G  
Before it's too late?

A  
Say that you'll take

D Gbm Bm A  
A cigarette break

D  
So innocent

D7  
But lies they always

G  
Hurt the most when

A  
The truth gets bent

D Gbm Bm A  
A cigarette break

I'm trying hard  
To make some sense with  
All the words that you said  
Was it all in my head?

D  
But I saw a spark

D7  
And I've never seen

G  
A more beautiful thing

G Em  
Am I just dreaming?

A D  
Let's take it too far

D7  
'Cause every word

G  
You say colours me in

G Em  
And should we begin

G  
Before it's too late?

A  
Say that you'll take

D Gbm Bm A  
A cigarette break

And all these emotions  
Ruling my head  
They won't let me sleep  
They won't let me sleep

From such a beautiful mistake
