Intro: Abm  Gb  Dbm

Abm                     Gb                  Dbm
I never tought that things would come my way
Abm                     Gb              Dbm
So I just fought for kept running after
Abm                 Gb                   Dbm
Many times  I?ve  lost, many times I?ve changed
Abm         Gb          Dbm
I gave my best in every way

( Abm  Gb  Dbm  Abm  Gb  Dbm )

Abm                     Gb               Dbm
What really matters to me is what I?ll give away
Abm                 Gb              Dbm
```
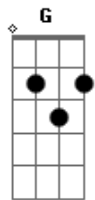

```
What I had fought for and made it better
Abm             Gb                  Dbm
And it travels time and will never fade

( Abm  Gb  E  Dbm  B  Abm  Gb )
( Abm  Gb  E  Dbm  B  Abm  Gb )

Abm    Gb    E   Dbm           B    Abm    Gb
So we won?t be alone against them all
Abm  Gb  E                  Dbm          B    Abm  Gb
Your legacy will get their back against the wall
Abm    Gb    E   Dbm        B    Abm    Gb
So we won?t be alone against them all
Abm  Gb  E                  Dbm          B    Abm
Your legacy will get their back against the wall
              B          Dbm          Abm
And it goes, and it goes until you fall
