

Gelpi - Spaceships

tom:
Capostrate na 2ª casa
Intro: **G**

[Primeira Parte]

G
I dont need no introduction
Just point me some directions

Got to get myself straight back into the wild
G
Have no fear for the abductions

Only sad about corruption

But you dont need a lot of things to make me smile
Am C G
And I dont want no trouble back into my life

[Segunda Parte]

G
And I can see all this assumptions

Getting tought our afections

It is ok but I dont want it all the time
G
So lets go dance along the subway

Sing along if you are with me

All we need is sitting here on our own side
Am C G
I dont need no glory to celebrate my fights
Am C G
So come with me my lover live a simple life

[Terceira Parte]

All im saying is no treason

To runaway without permission

Dont be afraid go out and seek now who you are

So come with me brothers and sisters

Love is all we need to bring with

I just want a better place for you and i

G
oooooooooh
Am C G
uuuuuh uuuuuh uuu
G
oooooooooh
Am C G
uuuuuh uuuuuh uuu
Am C G
So come with me my lover live a simple life
