

# Gen Hoshino - Comedy (Kigeki)

tom:

Intro: F Em Gm

Lutas sem sentido, mundos destruídos  
 Traíçoeira a vida pode ser  
 Sou só um estranho a vagar nesta terra

Lágrimas, logo irão secar  
 Vamos, agora, retornar ao nosso sonho

Seu lado sincero, conheci de perto

E os segredos que há em você  
 Diz que está bem pra disfarçar a tristeza

Pare, enfim, de idealizar  
 Está na hora de criar a nossa fortaleza

Eu sempre vou me lembrar  
 Do acordo que nos juntou  
 Esse dia eu guardo em meu coração  
 Me dê a mão e eu te dou um lar  
 Juntos à mesa vamos estar  
 Como família assim viver  
 E sobre tudo conversar  
 Cada dia será melhor  
 Uma comédia com muito amor  
 Dançando até o amanhecer  
 Tempos incríveis nós iremos ter!  
 Uma explosão de alegria  
 Que faz sonhar
