

Gen Verde - Let Me Be

```
Intro: D G D
      Am Em D
                 Gm Eb
                               Dm
I lift my head and look up to the sun once more
                F
                     Gm
                                Eb Dm
I know, I know that I will never be
                                       as T
                                              was
before
 There?s something new within me throbbing loud in my brain
Cm F7 Bb Gm
 Your pain has pierced my soul
          F
               Bb
 And you?ve made it whole
                Gm
                                 Fb
                                         Dm
Lord, let me be someone who?ll bring your endless love.

Bb F Gm Eb Dm F
Lord, let me be a breath of warmth that comes from above
And be your outstretched arms to hold all the pain of the
world
Cm F7 Bb
 Embrace its loneliness
                Bb Gm Cm
          F
 And you?ll make it whole
Gb Gb Ebm B the pain of those who cry out
```

```
Db4
 Of those who suffer and need someone to care
Gb Gb Ebm
                    В
T see
               tears silently falling
Of those alone as their life drains away
                     Gm
                                              Dm
 Lord, let me be someone who?ll bring your endless love
b F Gm Eb Dm F
 Lord, let me be a breath of warmth that comes from above
And be your outstretched arms to hold all the pain of the
 Embrace its loneliness
         F
 And you?ll make it whole
        B Abm Db4 Gb4
 Yes its loneliness
                        and you?ll make it whole
[Refrão]
Let me take your pain and all of your sorrow
Let me take your pain and your fears
Let me take your pain and all of your sorrow
Let me take your pain and your fears
```
