

Gene Clark - The Same One

Tom: **G**
Intro: **Am C F Am D7 G**

A **Am**
I walked by your window
C **D** **G**
I thought that maybe you'd see me
A **Am**
Knowing there'd be changes
C **D** **G**
Is this the way it was to be?
Bb **Dm** **A**
The things we planned just yesterday
Bb **Dm** **A** **D** **D7**
Was it only something that we had to say?

(**Am C F Am D7 G**)

A **Am**
Last night, I remember
C **D** **G**
You looked as though you really cared
A **Am**
Today, not the same one

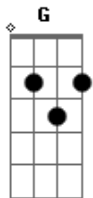

C **D** **G**
You had another face prepared
Bb **Dm** **A**
The magic of those things we'd seen
Bb **Dm** **A** **D** **D7**
Vanished with the words that we were supposed to mean

(**Am C F Am D7 G**)

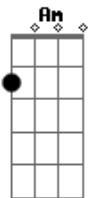

A **Am**
I called up your name and
C **D** **G**
Maybe it's true that you don't know me
A **Am**
Could this be the same one
C **D** **G**
Who had so much you wished to show me?
Bb **Dm** **A**
I don't know what was to believe
Bb **Dm** **A** **D** **D7**
I guess I'll pick my mind up and then I'll leave

(**Am C F Am D7 G**)
(**Am C F Am D7 Am**)
