Genesis - Image Blown Out

Tom: C
Intro: C F

```
 C                                    Dm
People moving about the town upside down, you know why
 G                 Dm                 G
Little bits of coloured glass in the sky
 C                                    Dm
Children pushing Mummy down to the park, in a pram
 G                 Dm                 G
Look out the pavement's changing to jam

 G
See them running
Now where are they going to
                              G  G7 G Am
To follow them, leads you nowhere
 G
Shout to them quickly but no one can hear you
All they can do is to stare

 Bb
Your bowler hats are turning green
 Bb                                  A
Your city suits are coloured cream
 F                       C
You, you who changed my life
           Em              Am             Fm
You made it misery, sadness reins alone
                C             Fm
Wonder why you do this, to me
                                    Dm         G
When I've tried so hard for you

 C                                                Dm
People talking to the man who's digging a hole, in his mind
 G                   Dm                    G
He's no need to worry, he's  deaf and blind
 C                                          Dm
See the dustman doing his round in a Rolls made of glass
 G                   Dm                    G
He's gained everything because he's got class

Friends are leaving me when I did everything
                              G G7 G Am
Just as they used to behave
 G
Trying to copy them, losing my real self
Floating away in a cloud

 Bb
Your minds have blown you out of step
 Bb                                  A
The rules you taught you never kept
 F                          C
You, you who changed my life
           Em              Am             Fm
You made it misery, sadness reins alone
                C             Fm
Wonder why you do this, to me
                                    Dm         G      C
When I've tried so hard for you
