(verse)

You don't need no passport

And you don't need no visas

You don't need to desigreate or to emmigrate

Before you can see Jesus

If you open up your heart

You'll see he's right there

He always was and will be

He'll relieve you of you cares

(chorus)

By chanting the name of the Lord and you'll be free

Cause the Lord is awaiting on you all to awaken and see

Chanting the name of the Lord and you'll be free

The Lord is awaiting on you all to awaken and see

(verse)

You don't need no church house

You don't need no temple

You don't need no rosemary bead or those books you read

To see that you have fallen

If you open up your heart

You'll know what I mean

We've been kept down so long

There starting to think we're all green

(chorus)

And while the Pope owns 51% of general motors

And the stock exchange is the only thing he's qualified to

quote us

The Lord is awaiting on you all to awaken and see

By chanting the name of the Lord and you'll be free

(end song with) (**B Ebm Dbm B**)
