

George Harrison - Beautiful Girl

tom:
 A Dm
 Never seen such a beautiful girl
 A Dm
 Got me shaking inside
 A Dm E
 Calling on me from deep within her eyes
 A Dm
 Not the kind you go handing around
 A Dm
 Want to keep her right there
 A Dm E
 But this love it don't come as no surprise

D E
 And when I saw the way that she smiled at me
 D E
 I knew it there and then that she was A 1
 D E
 And then I felt the way she was touching me
 D E
 Was something I know I was waiting upon

A Dm
 Never seen such a beautiful girl
 A Dm
 Had me quickly untied
 A Dm E
 Calling to me she made me realize
 A Dm
 Not the kind that is lost or is found

A Dm
 She has always been there
 A Dm E
 A lover needed for this soul to survive

D E
 And when I saw the way that she smiled at me
 D E
 I knew it there and then that she was A 1
 D E
 And when I felt the way she got through to me
 D E
 Was something I know I was waiting upon

A Dm
 Never seen such a beautiful girl
 A Dm
 Got me shaking inside
 A Dm E
 Calling on me from deep within her eyes
 A Dm
 Not the kind you go handing around
 A Dm
 Want to keep her right there
 A Dm E
 But this love it don't come as no surprise
