

# George Harrison - Blow Away

Tom: **A**  
Intro:

**D** **Bm**  
Wind blew in, sky turned to black  
**Gbm** **A**  
Rained for years til it dampened my heart  
**D** **Bm**  
Cracks and leaks, the floor boards caught rot  
**Gbm** **A**  
About to go down, I had almost forgot

**D** **Bm** **Gbm** **A**  
All I gotta do is to, is to love you  
**D** **Bm** **F** **E**  
All I gotta be is to, be happy  
**D** **Bm** **Gbm** **A**  
All it's gotta take is some warmth to make it  
**F** **C** **A**  
Blow away, blow away, blow away

**D** **Bm** **Gbm** **A**  
All I gotta do is to, is to love you  
**D** **Bm** **F** **E**  
All I gotta be is to, be happy  
**D** **Bm** **Gbm** **A**

All it's gotta take is some warmth to make it  
**F** **C** **D**  
Blow away, blow away, blow away

Sky cleared up, day turned to bright  
Closing bothe eyes, now the head filled with light  
Hard to remember the state I was in  
Instant amnesia, yang to the yin

Chorus

Wind blew in, cloud was dispersed  
Rainbows appearing, the pressure was burst  
Breezes a singing, now feeling good  
The moment had passed like I knew that it should

Chorus

This is played after the Chorus:

SOL0:
