Intro: Hawaiian Slide

Have my love **Abm7 Db Abm7**  
It fits you like a glove **Db Abm7**  
**Gm Eb Abm**  
Join my dreams tell me yes  
**Gb Gm**  
bail out should there be a mess  
**Ebm7**  
the pieces you don't need  
**Abm7 Db Abm7**  
are mine  
**Ebm7 Abm7**

I'll see you there on cloud nine

Take my time  
I'll show you cloud nine  
take my smile and my heart  
they were yours from the start  
the pieces to omit are mine

Have my love  
use it while it does you good  
share my highs but the times  
that he hurts pay no mind  
the pieces you don't need are mine

Take my hope  
maybe even share a joke  
if there's good to be shown  
you may make it all your own  
but if you want to quit that's fine  
while you're out looking for cloud nine.
