

George Harrison - Dark Horse

tom:

A

Intro: D A7 D A7

D

You thought that you knew where I was and when

But it looks that I've been fooling you again

You thought that you'd got me all steaked out

But baby looks like I've been breaking out

I'm a dark horse, running on a dark race course

I'm a blue moon, since I stepped out from the womb

I've been a cool jerk, looking for the source

I'm a dark horse

(D A7 D A7)

You thought that you had me in your grip

Baby looks like you was not so smart

And I became so slippery for you

But let me tell you that was nothing new

I'm a dark horse, running on a dark race course

I'm a blue moon, since I stepped out from the womb
