                      A
Intro: A  A  A  A
          A  A  A  A
          A  A  A  A
          A  A  A  A

A     A A   A A     A A
If I needed someone to  love
A       A   A   A   A  A   G
You're the one that  I'd be  thinking  of
                   Em      A
If I needed someone

A     A A   A   A  A   A
If I had some more time to spend
A       A   A   A   A  A   G
Then I guess I'd be with you, my friend
             Em   A
If I needed someone

Em                    Gb
Had you come some other day then (uuuh)
Gb                  Bm
It might not have been like this (uhhh)
Em              Gb              Bm  E  E  E
But you see now I'm too much in love

A           A   A  A  A  A
Carve your number on my wall and
A     A A   A A A    A  G
Maybe you will get a call from me
             Em   A
If I needed someone
