

George Harrison - Mother Divine

Tom: **A**

album: beware of abkco

i'm not sure of all the lyrics, but i'm fairly certain of the chords so here goes.

if anyone one knows the lyrics, please correct them.

Intro: riff (also verse):

A **F**

bridge (also same chords as bridge "was beauty itself...):

A **E** **A** **D**

chorus:

A
mother divine

E
mother divine

A **D** **A** **E**
mother divi--i--ine

A **E**

verse 1 (over intro riff)

A **F** **A**
haloed and splendor womb her face
tenderly smiling too

A **E**
was beauty itself and i
A **D**
know that she loves me

chorus 4x

verse 2

circled in sunlight moves her eyes
joyfully shining through

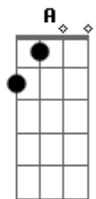

is beauty itself and i
know that she loves me

chorus 6x out

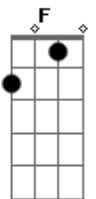

i left out his end chords, because it's just a flourish of **A** **D** & **E**.
