

George Harrison - Old Brown Shoe

tom:
C

I want a love that's right, but right is only half of what's wrong

I want a short-haired girl who sometimes wears it twice as long

Now I'm stepping out this old brown shoe

Baby I'm in love with you

I'm so glad you came here

It won't be the same now I'm telling you

You know, you pick me up from where some tried to drag me down

And when I see your smile replacing every thoughtless frown

So escaping from this zoo

Baby I'm in love with you

I'm so glad you came here

It won't be the same now when I'm with you

If I grow up I'll be a singer

Wearing rings on ev'ry finger

Not worrying what they or you'll say

I'll live and love and maybe someday

Who knows baby you may comfort me

[SoloI] C7 D7 F7 Ab F7 E7 Am

Acordes

I may appear to be imperfect

My love is something you can't reject

I'm changing faster than the weather

If you and me should get together

Who knows baby you may comfort me

I know my love is yours to miss that love is something I'd hate

I'll make an early start I'm making sure that I'm not late

For sweet top lip I'm in the queue

Baby I'm in love with you

I'm so glad you came here

It won't be the same now when I'm with you

I'm so glad you came here

It won't be the same now when I'm with you

I'm so glad you came here

It won't be the same now when I'm with you, yeah, yeah, yeah
