

# George Harrison - Stuck inside a cloud

Tom: C

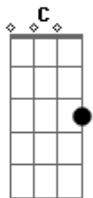

Never slept so little  
Never smoked so much  
Lost my concentration I could  
even lose my touch  
Talking to myself  
Crying out loud  
Only I can hear me  
I'm stuck inside a cloud

I made some exhibition  
I lost my will to eat  
The only thing that matters to me is to  
touch your lotus feet  
Talking to myself  
Crying out loud  
Only I can hear me  
I'm stuck inside a cloud

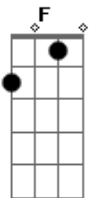

Talking to myself  
Crying out loud  
Only I can hear me  
And I'm stuck inside a cloud

Talking to myself  
Crying out loud  
Only I can hear me  
I'm stuck inside a cloud  
Never been so crazy  
But I've never felt so sure  
I wish I had the answer to give  
Don't even have the cure  
Just talking to myself, crying as we part  
Knowing as you leave me  
I also lose my heart  
Talking to myself, now, crying as we part  
Knowing as you leave me  
I also lose my heart
