

# George Harrison - The Pirate Song

tom:

D

[Tab]

Em A7

[Solo] D Bm D Bm  
D Eb Em A7

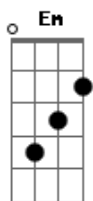

I want to be a pirate  
A pirate's life for me  
All my friends are pirates  
And sail the B. B. sea  
I've got a Jolly Roger  
It's black and white and vast  
Get out of your Skull and Crossbones  
And I'll run it up your mast

With a yo-ho-ho  
And a ya-ha-ha  
And a ye-hee-hee-ho-hum  
With a yo-ho-ho  
And a ya-ha-ha  
And a yum-yum-jum-jum  
I've got a Jolly Roger  
It's black and white and vast  
Get out of your Skull and Crossbones  
And I'll run it up your mast  
All TOGETHER!  
Want to be a pirate  
A pirate's life for me  
All my friends are pirates  
And sail the B. B. sea  
I've got a Jolly Roger  
It's black and white and vast  
Get out of your Skull and Crossbones  
And I'll run it up your mast
