

# George Michael - It Doesn't Really Matter

tom:  
 G G C  
 It doesn't really matter that I loved you  
 G  
 How many reasons call  
 C  
 It doesn't really matter at all  
 G C  
 It doesn't matter that I failed to  
 G  
 Break down your father's wall  
 C  
 It doesn't really matter at all  
 F Bb F  
 Why tell me you don't understand when you do  
 Bb  
 I thought I had something to say  
 G  
 But it doesn't really matter at all  
 C  
 But it doesn't really matter at all  
 G  
 I changed my name  
 C  
 To be rid of the things that I want from you  
 G  
 It's strange  
 C G  
 But a name is a name and the truth is the truth  
 C  
 Oh, there is always  
 G C  
 Always someone there to remind me  
 F  
 So I learn to live with shame  
 Ab  
 Tell myself I feel no pain  
 F

But I do  
 Ab  
 And if I have to tell you  
 G  
 But it doesn't really matter at all  
 C  
 But it doesn't really matter at all  
 G  
 But it doesn't really matter at all  
 C  
 But it doesn't really matter  
 Dm  
 Doesn't matter at all  
 G7 F7 G7  
 Loving you less, promises promises  
 A  
 And it's no good looking back  
 G7  
 Because time's thief and I believe that  
 A  
 I'm too old for that  
 Am  
 We're just saying the things that we have said  
 Dm  
 Forever  
 Dm Gm Dm Gm  
 G C  
 It doesn't really matter that I loved you  
 G  
 How many reasons fall  
 C  
 It's too bad  
 G  
 But it doesn't really matter at all  
 C  
 But it doesn't really matter at all
