Tom: G
 Intro: G Em G Em
 C G Em G Em

There's an aching inside
 G Em
 Won't you help me escape
 C C
 From the places I hide
 G Em
 The foreseeable fate
 G Em
 Show me the world
 G Em
 And all the good I don't see
 C C
 Just want to be heard
 G Em
 Can you do that for me
 G Em
 Can you do that for me

 D
 'Cause I've travelled through
 D C
 Hell and high water to find
 C G Em G Em
 A place that I thought to be, lo-oo-ong gone
 D D
 This feeling of ho-oo-ope
 C C
 Is something I want to hold

 G Em
 So I'll follow the birdsong
 G Em
 'Til I find my way back home
 C G
 I'll follow the birdsong
 G
 Oh and I can hear them now
 Em G Em G Em
 Ah oooooo-oo-oooo, ah oooooo-oo-oooo

(G Em)
 G Em
 Moving so steady
 G Em
 Just like the waves on the shore
 C C
 Slowly across the sand
 G Em
 Each time more than before
 G Em G Em
 And above there are birds singing high over head
 D D
 The way that they see the world
 C C
 When all I see instead
 G Em
 Is the darkness that covers my eyes
 G Em
 One day I'll take to the skies
 D
 'Cause I've travelled through
 D C
 Hell and high water to find
 C G Em G Em
 A place that I thought to be, lo-oo-ong gone

 This feeling of ho-oo-ope

 Is something I want to hold
