

# George Ogilvie - Set Me Alight

Tom: C

m (forma dos acordes no tom de Gbm )

Capostrate na 6ª casa

Intro: Gbm D Em A

More drawn in as times drawing out  
In the endless heat heading further south  
All of the way down from the sky to the embers  
At my feet how they have a hold on me always a hold  
So i'm moving over, all the wrongs and the weakness  
To start a journey towards  
Where i once felt adored  
But you shy away from the truth  
Disguise flames that shiver blue  
Maybe i had a hold on you too  
Always a hold

I'll only ignite if you light me on fire  
With the vow to be mine so near in my sight

But it better would be wise for you to keep your reservations  
When it comes to this burning desire  
To set me, set me alight

Gbm D Em Gbm  
Oooooooooooooooooohhhhhhhh

More drawn in another day dying out  
Going up in smoke from the blackened ground  
As we rise from the ashes, relighting the embers  
At my feet how they have a hold on me,  
Always a hold.

I'll only ignite if you light me on fire  
With the vow to be mine so near in my sight

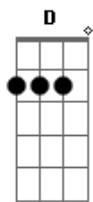

But it better would be wise for you to keep your reservations  
When it comes to this burning desire  
To set me, set me alight

Em Gbm  
Oooooooooooooooooohhhhhhhh  
Em Gbm A  
Oooooooooooooooooohhhhhhhh

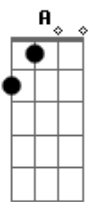

I'll only ignite if you light me on fire  
With the vow to be mine so near in my sight

But it better would be wise for you to keep your reservations  
When it comes to this burning desire  
To set me, set me alight  
Alight, alight  
Gbm  
Oooooooooooooooooohhhhhhhh
