

# George Strait - Easy Come Easy Go

tom:  
 She says she's had enough of me  
 I've had enough of her too  
 I might as well go on and set her free  
 She's already turned me loose  
 No fault, no blame, nobody done no wrong  
 That's just the way it sometimes goes  
 Sometimes two people just don't get along  
 And it's time to hit the road

[Chorus]

Goodbye Farewell So long Vaya con Dios

Good luck Wish you well Take it slow Easy come, girl  
 Easy go

We tried to work it out a hundred times

Ninety-nine it didn't work

I think it's best we put it all behind

Before we wind up getting hurt

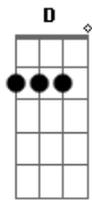

No hard fellings, darling, no regrets

No tears and no broken hearts

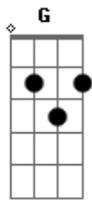

Call it quits, calling off all bets

It just wasn't in the cards
