

# Get Scared - Don't You Dare Forget The Sun

Tom: G

Intro: Em Bm (2x)

Em  
You're a mess tangled with your confidence.  
C  
You think you haven't sinned.  
Em  
Well you're unstoppable,  
C  
Your walls are impassible oh!  
Em  
I think you're better off looking alone,  
C  
The boys that chase your hips can just go find their way home.  
Em  
And at the end of the day you think to yourself.  
C  
My body is a product being sold on the shelf

Tell me I can change

Tell me I can change

Em C  
Well I know you lay in bed  
G Bm  
Contemplating your own death.  
Em C  
Well just look at what you've done  
G Bm  
Don't you dare forget the sun, Love!

Em C  
Cold white walls keep you from your pad and pen

You wanna stab again,  
Em  
I can't believe it's half this hard,  
C  
You never knew your mind was dark no!

Em  
I think you're better off looking alone.  
C  
The boys that chase your hips can just go find their way home.  
Em  
You can dig so deep for scars.  
C  
You never knew your mind was dark

Come on and breathe with me oh!

C Bm  
Breathe with ohhh!

Em C  
Well I know you lay in bed  
G Bm  
Contemplating your own death.  
Em C  
Well just look at what you've done  
G Bm  
Don't you dare forget the sun, Love!  
C D  
You look down on me so casually,  
Bm Em D  
In everything I know.  
C D  
You look down on me, but not right on me.  
Bm  
Did I wreak this broken home?

Em  
(I just play this chord according to the rythm)  
Dear Diary,

Life is trying me.

Can I get a sign?  
Or a two of mind, a piece of mind.

Can I get a sign (a sign), can I get a sign (I know)

Em C  
Well I know you lay in bed  
G Bm  
Contemplating your own death.  
Em C  
Well just look at what you've done  
G Bm  
Don't you dare forget the sun, Love!  
C D  
You look down on me so casually,  
Bm Em D  
In everything I know.  
C D  
You look down on me, but not right on me.  
Bm  
Did I wreak this broken home?

(Same as intro) end with Em  
Life is trying me!

Life is trying.
