

# Gévelyn Almeida - Risadão

tom:

C  
G

Sorriso leve vem surgindo, vem de dentro  
E vem chegando pra brincar no alto astral  
Num só estalo, um vuco vuco da endorfina  
Como um sol clareando e a vida alegrar

Tú vens, tú vens, eu já escuto um Há Há Há

Tú vens, tú vens, eu já escuto um Há Há Há

Um sorrisinho sussurrou no meu ouvido

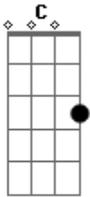

Eu não duvido já escuto seu gargalhar

Pra ser feliz de Domingo a Domingo

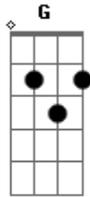

Essa é a energia que temos que espalhar
