

Ghost Hounds - You'll Never Find Me

tom:
Cm
[Primeira Parte]

Cm
You had the sweetest touch
F Cm
But you left the deepest cuts
Cm
You had the kindest eyes
F Cm
I fell to my demise
Cm
And every love thereafter
F Cm
All fell victim to you
Cm
I set their hearts on fire
F Cm
And you were my alibi

[Pré-Refrão]

Ab
I don't wanna stay broken-hearted
Bb Cm
This is the pattern you started
Ab
Don't wanna leave them in pieces
Bb Cm Ab Bb Cm
All I have to give are these reasons, yeah
Ab G Bb
Are these reasons, yeah, yeah

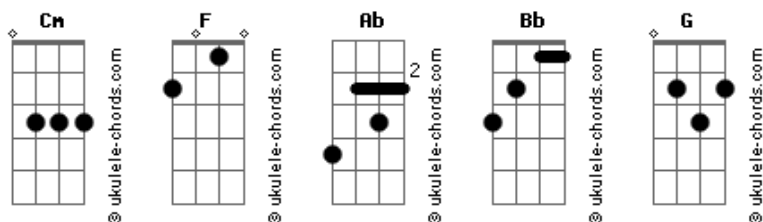

[Refrão]

Cm
Well, I keep my heart locked up from tumbling down
Bb
And I walked through hell, through hell just to run out of ground
F
And I can't believe I believed every word out your mouth
Ab
Just remember that you'll never find another lover quite like me
Bb Cm
No, you'll never find me, I'm a renegade
Ab
Just remember that you'll never find another lover quite like me
Bb Cm
No, you'll never find me, I'm a renegade

[Segunda Parte]

Cm
Held my arms open wide
F Cm
But you raised your battle cry
Cm
You said the blame was mine
F Cm
And I believed every line
Cm

Acordes

And now you walk around crying my name
F Cm
Well, babe, weren't you the one that threw us away?
