I am the one who preys	I am the son, lascivious D ---
on weak	SOL0
I offer everything they	He is the one desacralizer
seek	He is the son of the enticer
And i am the one who comes	The all seeing subterranean kaiser
richly endowed	He is is the way, he is the way
Harvesting crops of fields	I am the way... And you invited me to stay
that others have ploughed	However fair and pure,
I am the one, lascivious D ---	you crave the wand
I am the son of one	You see through me what lies beyond
below	beyond
The progeny of beast	I am the one lascivious D ---
of woe	I am the one lascivious D ---
And i am the son who comes	I am the one lascivious D ---
into the daughters of men
